

WOTM SCHOLARSHIP

WOTM is a not-for-profit networking organization for professionals who are employed in, or serve, manufacturing in the Greater Rockford Area. The group is open to men, women, and young professionals, and offers a unique approach to networking and professional development with a strong focus on strengthening our scholarship program. Through interactive dinner meetings, manufacturing plant tours, and fundraising events, we are able to educate our members and serve our community.

The WOTM Scholarship provides educational resources to promote the study and development of the many areas of manufacturing technology through scholarships.

APPLICANT MUST:

- Be a resident of Ogle, Winnebago, Boone, Stephenson, or Rock County;
- Plan to attend a college, university, or trade/technical school; and
- Be able to demonstrate how their course work will impact manufacturing technology in the region.
- Additional funding may be available for students attending Western Illinois University.

DEADLINE: FEBRUARY 1

Many of the Mars Curiosity Rover's gears were made in Rockford.
