

# Announcing the WOTM Ruthann Gaston Women in Engineering Scholarship

WOTM is a not-for-profit networking organization for professionals who are employed in, or serve, manufacturing in the Greater Rockford Area. The group is open to men, women, and young professionals, and offers a unique approach to networking and professional development with a strong focus on strengthening our scholarship program. Through interactive dinner meetings, manufacturing plant tours, and fundraising events, we are able to educate our members and serve our community.

Ruthann Gaston has volunteered with WOTM since its founding in 2003 and has been extensively involved in its activities, including the administration of WOTM's first scholarship with CFNIL, the WOTM Scholarship.
