

COMMUNITY FOUNDATION OF NORTHERN ILLINOIS GRANT GUIDELINES

In Youth We Trust **YOUTH** Grant Cycle | 2023-2024

| OVERVIEW |

The In Youth We Trust (IYWT) Council is a youth philanthropy program of the Community Foundation of Northern Illinois (CFNIL). Established with a grant from the Ford Foundation in 1994 and endowed by a local donor, this program teaches grantmaking, volunteerism, and leadership skills to today's youth, preparing them to be the positive change of tomorrow. Since its inception, IYWT has granted over \$500,000 to youth projects in Boone, Ogle, Stephenson and Winnebago counties. Through this journey, both the IYWT Council and the grantees gain in-depth experiential knowledge of the nonprofit sector and the needs of their community. This knowledge will add to their growing skill set and benefit them long into their adult lives.

The IYWT Council is made up of high school-aged students from Boone, Ogle, Stephenson, and Winnebago Counties. We aspire to build a diverse group of students who are engaged in their community, critical thinkers, open to others, and dedicated to improving the world around them. This year, the Council's grantmaking will focus on community projects and programs which support youth mental health.

This document describes who can apply for the IYWT Youth Grant, how they can apply, and what kind of charitable activities are eligible to receive funding. We rely on your feedback to guide our grantmaking process. Please do not hesitate to approach us with questions or comments. While we would be happy to clarify any aspect of our application, CFNIL and IYWT do not offer specific guidance on the design or implementation of your proposed activity during the open application period.

| TYPES OF PROJECTS WE FUND |

All proposals should address an issue that youth in your community face. Your project must be one of the following:

- **Event:** The duration of the charitable activity described in the proposal is less than a week. *Example: Dance-a-Thon or a resource fair.*
- **Project:** The duration of the charitable activity described in the proposal has a beginning and ending date, and lasts between one week and three years. *Example: A summer-long camp or distributing care packages to homeless youth.*
- **Program:** The duration of the charitable activity described in the proposal is ongoing. *Example: A year-round after school program.*
- **Capital/Commodity:** If you are purchasing equipment, a commodity, or making a minor capital improvement that will allow you to serve or further your ability to serve youth. | MEASURING RESULTS |

It is important to solidify a plan on how you will measure your results and the tools you will use. *Examples: surveys, how many participants attended, or receipt for item purchased.* You are expected to submit a final report to tell us the outcome of the charitable activity using the methods of measurements you stated in your application. If you do not submit a final report you will not be eligible for funding in the future.
