Budget

Revenue/Income

Revenue/Income refers to the request you are making to us and other funding that you have or plan to get from other sources. (ie. fundraising, donations, and other grants you are writing). Your request to us should be on the first line. If you don't have other funding, you will just fill in the total amount you are requesting from the IYWT Council. If you don't have enough lines, please group items under categories (ie. fundraising, donations).

Item Number	Revenue Source	Total
Income #1		
Income #2		
Income #3		
Income #4		
Income #5		
Income #6		
Total Income		

Expenses

Expenses refers to the exact ways that you will spend all of your revenue/income. Each line should list items that you will purchase, rental fees, etc. Your total expenses should equal the revenue/income in order to show how every dollar will be spent. If you don't have enough lines, please group items under categories (ie. marketing supplies, food, etc.) and then explain in the budget narrative.

Item Number	Description	Total
Expense #1		
Expense #2		
Expense #3		
Expense #4		
Expense #5		
Expense #6		
Expense #7		
Total Expenses		

Budget Narrative*

Please use the Budget Narrative to explain how each revenue and expense item was calculated. If related items are combined together in the same line within the template/chart, describe the expenses within that line.
