2019 CFNIL SCHOLARSHIP REPORT

134 students. 27 high schools. 154 awards totaling **\$264,334.64.**

The 2019 Community Foundation of Northern Illinois Scholarship cycle was one for the record books!

Nearly one hundred community volunteers read and reviewed 1,127 applications from 399 students. Thanks to their hard work, the generosity of donors, and the exceptional efforts of the students of our region, CFNIL is pleased to provide this report of awards made in the 2019 scholarship cycle.

CFNIL's scholarship funds were created by donors that recognize the importance of helping students achieve their educational goals, now and in perpetuity. The funds' creators selected the criteria based on their interests and the community's need. Many of CFNIL's scholarships are memorials, which celebrate the life and passions of individuals. Every year new scholarships are created and existing scholarship funds grow, ensuring every year provides increased resources for students in our community.

The diversity of scholarship offerings reflects the diversity of CFNIL's donors and the communities it serves. The majority of scholarships are for current college students and graduating high school seniors in Boone, Ogle, Stephenson and Winnebago Counties. Scholarships are available based on a variety of factors: community engagement; academic achievement; financial need; athletic participation; field of study; and many more. There are scholarships for non-traditional, minority, and first-generation college students. Nearly two dozen scholarships are available for students who have a high school diploma OR a GED.

It is an incredible privilege to connect the generosity of donors to hundreds of exceptional students from across the region each and every year.

Thank you for investing in our future!
